The Lake View

A Bi-Monthly Insight Into Our Syracuse City Community

www.syracuseut.com

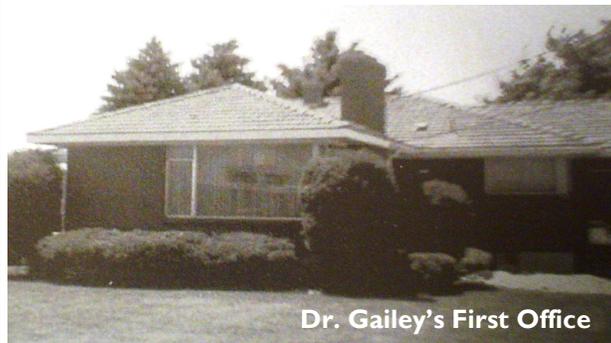

Cover Story

Friend of the Community Business Award

The Syracuse Family Dental Clinic has been selected to receive the semiannual Friend of the Community Business Award. The award is given to a Syracuse business that has proven itself to be a friend of the community through social responsibility, philanthropic actions, and commitment to the community. The Syracuse Family Dental Clinic has excelled in each one of those categories. Dr. Michael Gailey founded the clinic in 1982 and since then, he and the clinic has generously contributed to the well being of our community in many ways. Dr. Gailey has contributed by providing high quality dental care, creating local jobs, serving on city council, leading the local SBOSS (Syracuse Business Organization for Strategic Synergy), serving in his church, and being an exemplary and loving family man.

Dr. Gailey's practice was the first dental office in the city. His office was located where the Iceberg restaurant is now sited. He and his wife started out living in the basement of the old home and running the dental office upstairs. Dr. Gailey chose to begin his career as a dentist here in the city in order to be close to the rural home town values and friendly businesses that he remembered from his boyhood spent growing up here in Syracuse. Dr. Gailey warmly recalled a time when he would find large boxes at R.C. Willey's and take them to local hay barns where he and his friends would build forts using bales of hay as walls and the boxes as a roof. He also remembers going to the Jetta Walker store to sweep its floors in exchange for penny candy. Dr. Gailey has worked diligently to offer that same small town charm at his current clinic.

Dr. Gailey and Syracuse Family Dental Clinic have shown their commitment to bolstering Syracuse's community minded atmosphere through decades of service to the community.

Dr. Gailey's current office located at 1747 South Heritage Lane Suite B #201

Volunteers Needed

Syracuse City needs volunteers to help carve 1,000 pumpkins for this year's Pumpkin Walk. Any group is welcome to help: youth, family and friends. City Staff will call when the pumpkins arrive, so you can pick them up at the community center, carve them at home, and return them before October 24th. For more info, call the Community Center at 801-614-9660 opt. 1.

Newsletter Production Survey

We are asking for residents help to determine the most preferred way to receive your Syracuse City Newsletter, aka “The Lake View”. **For your use, the estimated per issue cost is represented.** Please choose whether you would like to receive the newsletter:

- A:** The same way as it is delivered now, bi-monthly via mail. (\$2,796.33)
- B:** Digitally, the newsletter will be created as usual but will be posted on the website and emailed to residents who wish to receive it that way. (\$0)
- C:** As a one page column every two weeks in the “Islander” newspaper. (\$200.00)
- D:** Four page newsletter included with your monthly City Utility Bill. (\$605.20)

I would like to receive my City Newsletter via: _____

Please return this survey to City Hall, email mmartinson@syracuseut.com, or call 801-825-1477 with your response.

Public Works

Road Construction Updates

During this Summer and Fall, our city streets have been getting some maintenance. In order to keep you aware of where and when construction and maintenance is occurring, you may check our website for road construction updates. This is found by clicking: *Departments; Public Works; Road construction updates.*

Storm Water

Did you know that one of the best and simple ways to improve curb appeal to your home is by removing the overgrowth, sediment, and debris that collects in the curb and gutter over time? Doing so, not only enhances the appeal of your home making it attractive, but also helps to keep our storm water clean before entering the pipes and ditches that empty into our Great Salt Lake. Clean gutters also improve water flow and prevents water-ponding that often times leads to moss growth during hot conditions. Clean gutters also helps to reduce deterioration that occurs to our roads, thereby helping to extend the life of our roads. Incorporating this simple practice into our routine yard maintenance will help to make our city a more attractive, clean, efficient, and healthy place to live!

Fix-It Request

We appreciate our citizens helping us to be aware of repairs and maintenance that need to be done throughout the city. The city website has been a great tool for providing us notification. The *Fix-it Request* link can be found on our home page; look under popular pages.

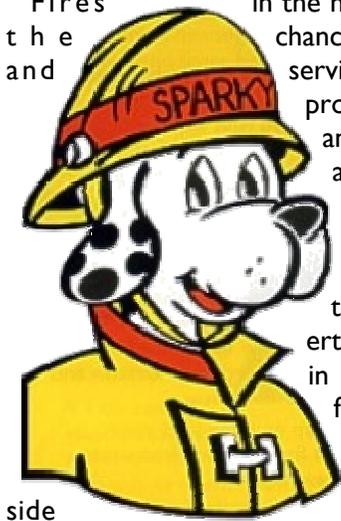

Syracuse Fire Department

Fall Safety Message

Fall is almost here! That means it's almost time for Fire Prevention Week. The theme for this year is "Have 2 Ways Out" (for your fire home evacuation plan). The Syracuse Fire Department will be hosting an open house for Fire Prevention Week on Thursday, October 11, from 6 to 8pm at our fire station, located at 1869 South 3000 West.

In conjunction with this year's theme we will have activities that focus on how to protect your family from fire by planning ahead and integrating simple things into your everyday life that will help keep you safe. Bring the whole family! We look forward to seeing you! You can visit the Fire Prevention Week website at www.firepreventionweek.org, for safety tips, statistical information, and more.

Fires in the home take a great toll on life and property each year. There are many ways we can reduce the chance of having a fire in our home. We encourage everyone to **make time** this season to clean and service their home heating appliances, making sure the furnace, boiler, fireplace or other heat producing appliance is safely ready for colder temperatures. Checking belts, removing dust and debris, replacing filters, providing adequate ventilation and checking the overall functionality is essential for efficient and safe appliance operation. Some people are comfortable taking care of those issues themselves, but if you are not, contact a licensed professional to check your home heating system.

Installing and maintaining safety systems such as smoke and carbon monoxide (CO) detectors, as well as identifying potential hazards, can reduce the risk of home fires and property loss, injury, or death due to fire. Nearly two-thirds of home structure fire deaths occur in homes where there was no smoke detector or where smoke alarms were present but failed to operate. Fall is a good time to replace the batteries in your smoke and CO detectors. Many false alarms occur due to dust, excessive moisture or spider webs in the sensor. Use your vacuum hose with the brush attachment and vacuum the surface and outside edges of your detectors at least twice each year.

Syracuse Fire Department is ready to serve you 24 hours a day 365 days a year. We take our job seriously with customer service being our priority. We offer CERT, CPR and first aid training by appointment, as well as fire station tours. Please come join us for our Fire Prevention Open House on October 11, and if you have any questions about our services please feel free to contact us at 801-614-9614. Be Safe!

SYRACUSE RESIDENT WINS PRESTIGIOUS "MARINE OF THE YEAR" AWARD FOR THE 4TH MARINE DIVISION FOR THE UNITED STATES MARINE CORPS

Arlington, VA – Syracuse resident Sergeant Brian A. Phillips was awarded the 4th Marine Division's Marine of the Year at the 9th Annual Marine Corps Association & Foundation Ground Awards Dinner on Thursday, 28 June at the Crystal Gateway Marriott, in Arlington, Virginia.

The dinner served as the opportunity to recognize the four Marine Divisions' Marines of the Year, the recipients of the 2011 Leftwich Trophy, Hulbert Trophy, Zembiec Trophy, the Chambers Award, and the MARSOC NCO/Critical Skills Operator of the Year.

"MCA&F is proud to recognize these Marines for their exceptional achievement and duty to the Corps," said MajGen Edward G. Usher III, USMC (Ret) and President/CEO of the MCA&F. "That's why the MCA&F exists. We encourage continued education, first-rate leadership and career advancement. We honor the professional excellence of Marines who serve our county every day."

Sgt Phillips is from Salt Lake City, Utah and is currently serving on the Inspector-Instructor staff with Fox Company, 2d Battalion, 23d Marines. He deployed to Iraq twice and performed duties such as MRAP driver, gunner, vehicle commander, navigator, patrol leader, and section leader in support of Operation Iraqi Freedom. Sgt Phillips chose military service because his father was in the Army and he wanted to follow in his footsteps. Sgt Phillips was accompanied by his wife, Stacia Phillips, and his father, Jack Phillips. His sister, Tiffany and brother-in-law, David were also present. General Dynamics and the Marine Corps Association and Foundation sponsored this award.

Cost: Grades 1st-5th are \$51; Grades 6th-12th are \$56.
(Non-Resident Fee is \$15 per registration)

Running Club

Hello Syracuse,

The summer is coming to an end, but that doesn't mean the fun is over! After winning Miss Syracuse this past June, I want to spread awareness about my platform "Strong is the New Beautiful." I will be organizing a running club for the city of Syracuse! We will be meeting every Wednesday evening at 7:30pm at the Community Center starting September 12th. This is a great opportunity to get in shape and meet people in the community. There is no cost, and it is available for anyone who is interested regardless of age or athletic ability. I would love for each of you to give it a try and fall in love with the sport just as I have. If you have any questions, feel free to give me a call at 801-499-1487 or send me an email at nutone993@aol.com .

-Haley Busby

Post Office News

We are located in City Hall, 1979 West 1900 South. Our hours are Monday thru Friday, 9am to 5pm, with the last pick up for packages at 4:30 pm.

As a reminder, please DO NOT leave packages in the lobby or Post Office unattended.

Help on custom forms:

If you prefer not to pay for postage online, visit <http://webapps.usps.com/customsforms> to select the appropriate customs form for your shipment and complete the customs form online. Once you print the completed form and prepare your shipping label, bring your package to the Post Office for postage and shipment.

For an excellent resource on questions concerning domestic and international packages visit www.usps.com.

THANK YOU FOR SUPPORTING
YOUR SYRACUSE POST OFFICE!

RC Willey Farmer's Market

The farmers market runs each Saturday 9:00 am to 3:00 pm ending October 13th. The market will be held in the R.C. Willey parking lot. (1693 West 2700 South Syracuse, UT 84075)

Free booth space is available for vendors of bread, meat, and dairy/cheese. If interested call (801) 774-2800.

Youth Court

Youth Court applications are available for interested youth, 9th-12th grades. Applications may be picked up from Resource Officers at the Jr. High and High Schools and may be returned to them or to Syracuse City Hall. For more information contact Joanne at 801-589-9140

Secondary Water

Secondary water will be shut off the week of October 15th. Please make sure the city valves in the stop and waste are left on.

Antelope Island Activities

September 1 (Saturday)

Brine Shrimp and Sand: Stop by the Bridger Bay Beach between 12pm and 2pm to visit with a park interpreter about lake life and other fun facts. Microscopes will be on hand for viewing and discovering lake wonders.

September 6 (Thursday)

Life and Times of Lake Bonneville: Meet with the Park Naturalist at 3pm in the Visitor Center Theater to discover the intriguing past of this ancient granddaddy lake of Great Salt Lake.

September 8 (Saturday)

History Hike with the Ranger: How it all Began. Spend some time on Antelope Island with a park ranger and learn about the early explorers and homesteaders who lived and settled this rugged area. Meet at 2pm along the East Side/Ranch Road between mile markers 8 and 9 (there is a pull-off on the right-hand side) for a discussion and short hike.

Junior Ranger Program: Sea Monkeys of Great Salt Lake. Not much can live in water as salty as Great Salt Lake so those that do have some pretty cool adaptations. Children ages 6-12 are invited to come and learn all about Brine Shrimp, also known as "Sea Monkeys". Meet at 11am at Bridger Bay Beach.

Star Party: Join park staff and members of the Ogden Astronomical Society for an evening of wonder as we turn our gaze upward. Meet at White Rock Bay Day Use Area just before sunset to look at the sun through a Solar Scope, followed by a 20 min presentation about space. Deep space viewing will take place afterwards. Please arrive no later than 9:30pm (the Gate closes to incoming traffic at 10pm). If you bring a flashlight, please make it a red-colored lens. Weather permitting.

September 15 (Saturday)

Deserts are Not Deserted Hike. The word "desert" comes from the word "deserted". The truth, however, is that this land abounds with plants and animals specifically adapted to this harsher environment. Meet the Park Naturalist at 10am in the visitor center parking lot for an easy one-hour hike to explore and discuss the many wonders of this desert island.

September 20 (Thursday)

Life and Times of Lake Bonneville: Meet with the Park Naturalist at 3pm in the Visitor Center Theater to discover the intriguing past of this ancient granddaddy lake of Great Salt Lake.

September 22 (Saturday)

Daddy Stump History Hike: Join the ranch curator at 10am at the Fielding Garr Ranch for a moderate 4 mile hike to the Daddy Stump home discussing the island's history that surrounds this site. Space is limited so please contact Clay at clayshelley@utah.gov or call (801) 649-5742 for your spot or for more information.

Junior Ranger Program: Feathered Friends. What makes a bird a bird? What makes shorebirds unique? Why are there so many birds at Great Salt Lake? Children ages 6-12 are invited to come and discover the answers to these questions during this one hour program designed to get kids excited about nature. Meet at 11am at the Visitor Center.

Music on the Island: Boyack and Madsen! Enjoy a fun-filled evening listening to the musical talents of this mother/daughter acoustical duo. Boyack and Madsen perform a wide range of modern, country, folk and just plain fun music. Event begins at 7pm at the Visitor Center Amphitheater. Please bring camp chairs or blankets as seating is limited. Be sure to plan enough time to get dinner from the Island Buffalo Grill located at the beach (dinner not covered by park admission).

September 29 (Saturday)

Junior Ranger Program: Our Great Big Solar System: Join the Park Naturalist at the Visitor Center Amphitheater at 11am to learn about the wonders of space and our very own Solar System! This program is geared towards children ages 6-12 but anyone is welcome. Park entrance fees apply.

Full Moon Hike: White Rock Loop. Meet at 6pm at the Trail Head in White Rock Bay Campground for this 6.5 mile hike under the light of the full moon. This hike is easy to moderate in difficulty and offers opportunities for incredible views and wildlife sightings. Wear sturdy shoes and dress for the weather.

For more information about these events call (801) 721-9569.

The 26th Annual Bison Roundup **October 26 and 27**

For more information about attending or participating in the Bison Roundup visit <http://stateparks.utah.gov/parks/antelope-island>.

Police Beat

Drug Take Back Initiative

On Saturday, September 29 from 10am to 2pm at Smith's located at 951 West 1700 South, Syracuse Police Department (in partnership with the DEA) will be holding their National Drug Take Back Initiative. This is a great opportunity to remove all dangerous controlled substances and other medications from your medicine cabinet.

The School Bell is Ringing ...Slow Down

Following speed laws around school zones is not just the prudent, legal thing to do, but its a life safety measure. Especially during drop off and pickup times, the school zones can be extremely crowded with vehicles, pedestrians and bicyclists. During the first week of school there can be the added complication of new students and parents who are attempting to find the right place to drop off or park.

Its not all about the driver, it also comes down to educating our new students about the rules of the road and appropriate pedestrian safety measures. Take time to discuss with your child the safe way to cross the street and the importance of not just checking once but checking and rechecking to make sure its safe to cross. Its also about stranger dangers and how to react to persons that you don't know.

For bicyclists, make sure new school commuters are fully aware of the rules of the road, can safely operate their bike under a variety of circumstances, and know how to react to those unusual circumstances that always seem to pop up in life. Safety tips include:

- Walk on sidewalks
- Always discuss your route with your parents
- Look out for cars when crossing the street
- Keep away from strangers
- Be on the lookout for cars
- Identify the best and safest route for your travels
- Keep your helmet on and strapped at all times when riding a bike
- Expect the unexpected from drivers

West Davis Corridor

WEST DAVIS
CORRIDOR

UDOT is continuing to study both Alternatives A and B as part of the Draft Environmental Impact Statement (Draft EIS). Currently, they are drafting chapters of the

Draft EIS document and conducting a detailed analysis on impacts such as noise, water quality, and air quality. The result of this in-depth analysis will be reflected in the Draft EIS and available for public comment and at public hearings this fall 2012. A final decision is not expected until 2013.

UDOT encourages you to submit your comments and ask questions. Please contact the study team at 877-298-1991 or westdavis@utah.gov.

Congratulations!

The winners of the 5K-9 Fun Run/Walk, which took place on Saturday, August 11, are:

1st place Female winner: Syracuse City resident and crossing guard, Nicole Mayhew

2nd place Female: Davis County Dispatcher, Eshelle Butcher.

1st place Male winner: Weber State Police Academy cadet, Samuel Carter

2nd place Male: Police Academy cadet, Clancy Allen.

Thank you to everyone who came and supported our K-9 Drug Team.

Syracuse City Arts Council

Thanks to all who came out to support the Syracuse City Arts Council's annual summer musical, "Into the Woods," and our first all-youth production, "Before, Ever After." We can't do anything without the support of the community we work to serve! The Arts Council is again looking for volunteers to join our Publicity, Theatre and Symphony committees, and would love to hear from you. If you're interesting in serving your community through the arts, we have many opportunities, email us at volunteer@syracuseutaharts.org. In addition to committees, our new Syracuse Symphony is currently accepting new musicians as they prepare for their inaugural season. Also, our performance troupe is gearing up for Halloween and Christmas performances. Please visit our website, www.SyracuseUtahArts.org for schedules and more information about these groups, and other Arts Council activities. Subscribe to our e-newsletter and/or follow us on Facebook to receive news about events and volunteer opportunities!

Update on the SR-193 Extension Project

- Utility relocations are nearly complete
- Railroad work is scheduled to begin later this month
- The bulk of construction will take place next year but you may see some heavy construction starting this fall
- Project completion is scheduled for 2014

We hope to have a contractor selected in September. UDOT will be selecting the contractor based on qualifications and not strictly based on price. Once we have a contractor on board, we will have a better idea about schedule and road closures.

Topsoil For Sale

Syracuse City currently has topsoil available for purchase. Interested parties may contact the Public Works Department at 801-825-7235 to schedule pick-up or delivery of soil. 20 mile delivery limit, minimum purchase of 6 yards for delivery. The City will load topsoil onto each recipient's truck when picked-up. Prices are as follows:

	<u>You haul</u>	<u>Delivery</u>
Resident:	\$20/yard	\$20/yard +\$30 delivery
Non-resident:	\$25/yard	\$25/yard +\$40 delivery fee

Thank You

A HUGE Thank You to RC Willey for donating plants and their time to make-over and maintain the round-a-bout on 1000 West and 2700 South! We appreciate you!

(CERT) Training

Syracuse Community Emergency Response Team

CERT is a group of every day citizens in the community who want to know what to do in a disaster and how to help others. They are taught basic fire, first aid, search and rescue and Incident Command. Come join our Fall CERT Class and make a difference!

These classes are on Wednesday nights from 6-9pm on Sept 5, 12, 19, 26 and Oct 3, 17, 24 at the Syracuse Fire Station located at 1869 S 3000 W. There will be a final class mock disaster on October 27th, from 9am–noon.

The cost of the class is \$25.00 for safety equipment. To sign up for the class you will need to call the Fire station at 801-614-9614 or e-mail cert@syracuseut.com

Ordinance Enforcement

Property Maintenance Responsibilities;
Sidewalks and Park Strips

It is unlawful for any owner, agent, lessee, and/or occupant of real property abutting and bordering any public street in the City to fail to keep the weeds and grasses within park strips or other adjacent landscaped or open areas within a dedicated public right-of-way from growing taller

than 6 inches or to fail to promptly clear and remove the cuttings from the premises in order to prevent them from becoming scattered or blown onto adjacent properties. However, this shall not apply to any ornamental grass so long as it is used and maintained solely, or in combination with any other ornamental grass or grasses, as a supplement to an overall landscaping plan. Additionally, owners, agents, or lessees of undeveloped properties or vacant lots with no buildings or structures must keep the weeds and grasses from growing taller than 12 inches at all times and must promptly clear and remove the cuttings from the premises as well. Weeds that are roto-tilled or removed by the root must be buried under the soil or removed from the property. Please be sure to edge the park strips sufficiently to prevent any grass or weeds from growing over the curbing.

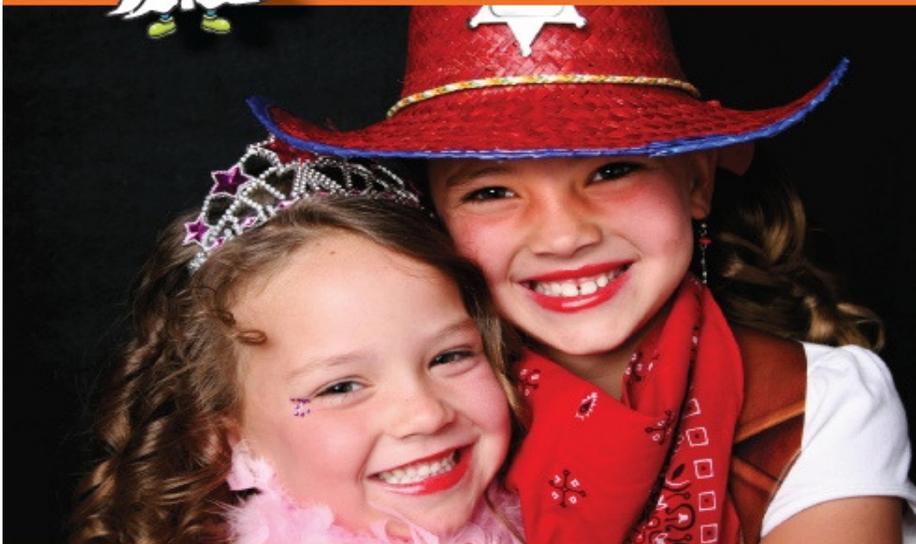

Chloe's Sunshine Playground to Benefit from Gala

Davis County's annual black-tie Gala, will be held the evening of Sept. 6 at the Davis Conference Center in Layton. Guests will be entertained by the adorable African Children's Choir. Each year the event raises funds for a charitable cause. This year's cause is Syracuse's own Chloe's Sunshine Playground. The proposed playground will be a specially designed place where disabled children and their families will be able to play side by side other children without disabilities. The proposed playground has been the recipient of many charitable events in the community for the last few years. All of the combined fund-raisers have raised around \$200,000 dollars so far. The Gala will get us closer to the \$400,000 needed to construct the first phase of the playground. For table sponsorship or individual reservations, contact Annette Hanson at: (801) 451-3278

Say Boo to the Flu

and Increase Education Funds for Your Elementary School!

Get vaccinated against the Flu at your school's on-site Say Boo to the Flu clinic and CNS will donate **\$2** per immunization back to your school**.

Cash price:
Flu shot \$25
Flu mist \$30
