Mr. Eggett informed the Planning Commission that Judy Merrill has resigned as the Planning Commission Secretary and the position has been advertised and closed today. He will be screening the applicants and interviewing within the next week.

Mr. Eggett mentioned the ULCT conference on Sept. 13 and asked if the Planning Commissioners would like to attend the conference. Chairman Hellewell reviewed the agenda for the Conference. A discussion of the topics was had and the Commissioners were directed to contact Mr. Eggett if they were able to attend so that he could get them registered prior to August 31.

Mr. Eggett asked that the Commissioners not delete files from the drop box, because it is a shared box.

Chairman Hellewell is going to be collecting ideas for things that the Planning Commission would like to work on in the next year for discussion on the next agenda work session.

Mr. Eggett commented on the future agenda items.
